### School Improvement Priorities:

We are working hard to ensure that our school is improving in every way. This year we have really tried to look at ways of improving outcomes in maths such as daily counting, times tables, Schofield & Sims and maths Rockstars. Next academic year we really need to focus on writing and developing our wider curriculum. A copy of the School Improvement Priorities will be available on our website from September 2019.

Our final PD Day : **Tuesday 23<sup>rd</sup> July 2019** will focus upon looking at end of year data and action planning for next year.
